# WELCOME TO SPRINGS KIDS!

Every Sunday morning we offer free classes for children 19 months old-Grade 4. Our desire is to create an environment where kids can get to know God in a way that's exciting, practical and relevant. The atmosphere in our classrooms is fun! Big screens, energetic music, games mascots and creative Bible teaching all makes Springs Kids a great place to bring your child. Come join the adventure!

On your first visit, and periodically throughout the year (or as requested), we will ask you to complete a Child Information Card, which will help us to better serve your child. If your child needs you during the service, a phone call will be made. Please ensure your phone is on the vibrate setting. Your child will be dismissed when class is completed, so please pick a meeting spot to meet at after the service is completed.
